

1. Central Park (Gurgaon)

A placement drive was conducted for Civil Engineering students, during which 19 students were placed. Selected students will receive a **stipend of ₹27,500 per month**, along with **shared residency and food facilities**.

This placement reflects the growing reputation of the institute in the construction and infrastructure sector.

2. Mahindra & Mahindra Ltd. (Swaraj Division, Mohali)

Mahindra & Mahindra conducted recruitment for Mechanical, Electrical, and ECE students. A total of **33 students** were selected.

The company also offered **six-month internships**, and for those opting for full-time placement, the internship duration will be counted as their **first year of training**, ensuring strong job security for the selected candidates.

3. Tata Steel (Gujarat) – Internship Selection

Tata Steel (Gujarat) conducted an internship selection drive for final-year diploma students. A total of **31 students** from **Mechanical, Electrical, and ECE** branches have been **selected for a six-month internship**, with a **stipend of ₹15,000 per month**.

This internship opportunity provides students with real industrial exposure, hands-on technical experience, and a chance to work with one of India's leading steel manufacturing companies. It is expected to significantly enhance their career prospects and professional skill development.
